EVENTS Waiver of northeast texas

COVID-19 is an extremely contagious virus that spreads easily through person-to-person contact. As with any social activity, participation in Girl Scouts could present the risk of contracting COVID-19. While Girl Scouts of Northeast Texas (GSNETX) takes every safety and preventative precaution, GSNETX can in no way warrant that COVID-19 infection will not occur through participation in Girl Scout programs, troop meetings, events, or any other activities. I fully understand the inherent danger of contracting COVID-19 and other contagious diseases, which may occur by allowing myself or my children to participate in any GSNETX program, troop meeting, event, or any other activity and on behalf of myself and my children, hereby waive any and all rights, claims, or causes of action of any kind arising out of participation by myself or my children in any of the above listed activities. I release and forever discharge GSNETX, their agents, volunteers, members from any injury that I or my children may suffer, including but not limited to COVID-19, as a result of participation in the aforementioned activities.

Further, I agree I will not allow my girl to attend if she has been exposed to any person suspected of having COVID-19 or any other contagious disease. By allowing my girl to attend any GSNETX function including, but not limited to troop meetings, troop events, Service Unit events, I affirm and warrant that my girl has not been in contact with any person suspected to have COVID-19 and further, that my girl does not at the time of the meeting or event, have any of the symptoms of COVID-19. If at any time within 14 days of any GSNETX event my girl is suspected of having COVID-19, and in the event that someone who has attended a GSNETX in-person activity within the past 14 days receives a COVID-19 positive test result, promptly contact Kristin Neel, VP of Member Services, at [kneel@gsnetx.org](mailto:kneel@gsnetx.org). She in turn will contact parents/leaders from GSNETX.
